The French are now coming from their Torts on and near the Lake Erie, to enlarge to build another Fort, and from thence they design to the Forks of Monongahela, and to the Log's Town, and so to continue down the River. Building at the most convenient place in order to prevent our Settlements yet.

No. A little below the Faronia Town in the Forks is the place where we are going immediately to build a Fort as it commands the Ohio and Monongahela.
